### Angie and Alex

Angie and Alex are the prime example of a beautiful friendship. They do great things together, such as going and seeing Beauty and the Beast with other members of the chapter. They are a dynamic duo at events-- interacting with other members and participating in all the fun activities at events. Most importantly, they are growing as friends and their friendship is becoming a strong and open (as mentioned in a friendship update), and in Best Buddies, that's what we're all about! Making and creating long-lasting friendships!

So Alex and Angie, congrats! You guys are the November Buddy pair of the month!
