

## Panopto Recorder Login

*Note: the following information is for creating Panopto recordings. If you only view recordings for your class, this information does not apply.*

The Panopto Recorder has been updated. All campus lab and classroom computers have already had the new version installed. If you create recordings on your personal computer, you will need to download the latest version of the recorder from <http://butler.hosted.panopto.com>. Click “Log In” and use your Blackboard credentials to sign in.

### Windows Users

To log in to the new Panopto recorder, simply click “Log in with Blackboard.” Do **not** change any other information on the screen or attempt to log in with your username and password. Once you have clicked “Log in with Blackboard,” you will then be prompted for your Butler username and password by Blackboard itself.

Use External Login Providers:

Log in with Blackboard

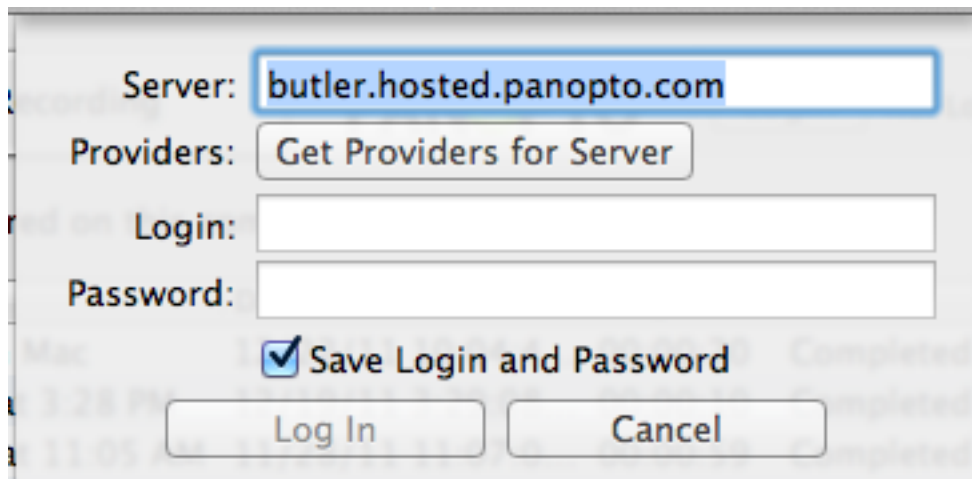

- OR -

Server Address: butler.hosted.panopto.com

### Mac Users

#### Step 1

When you click on “Log In” in the new Panopto recorder, you will see a screen that looks like the following:

Server: butler.hosted.panopto.com

Providers: Get Providers for Server

Login:

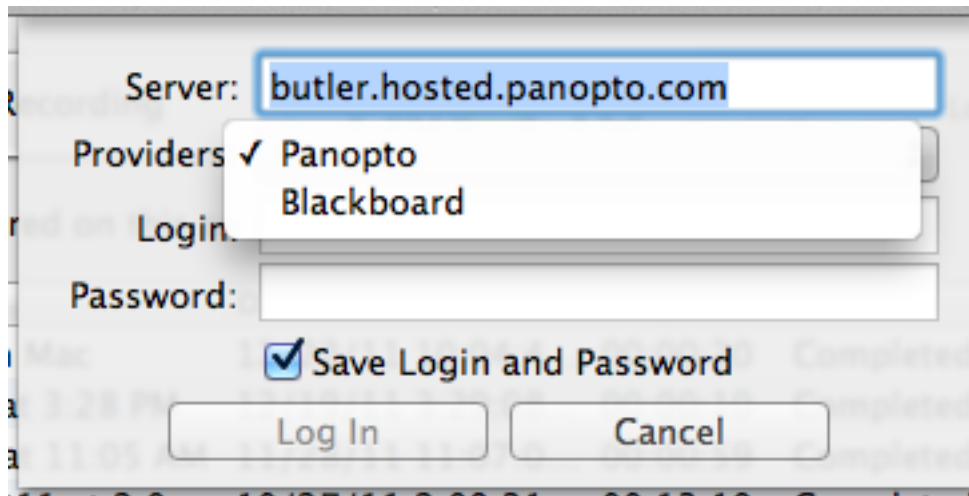

Password:

Save Login and Password

Log In Cancel

### Step 2

The server name should already be filled in for you. Click “Get Providers for Server” and select Blackboard.

### Step 3

Log in using your Butler credentials at the prompt.
