BUTLER UNIVERSITY

CENTER FOR ACADEMIC TECHNOLOGY

MISSION STATEMENT

The Center for Academic Technology provides expertise and leadership in the intersections of technology, teaching, and learning. We integrate the Butler-supported academic systems into consulting and development opportunities to comply with standards for distance education in order to support faculty and staff in achieving Butler University's academic mission in face-to-face (f2f), hybrid, and online learning environments. We encourage student academic success through the Information Commons program.

INFORMATION COMMONS

The Information Commons (IC) students provide research assistance and academic technology training and support. An IC student can answer many of your basic questions about Butler supported systems or refer you to the best CAT staff member or librarian in the department for in-depth assistance. Walk-ins welcome to JH037 and Irwin Library. Phone: 317-940-8575

CONTACTS

The Irwin Library provides support for research, digital collections, copyright concerns, and digital citizenship. They provide support through LibGuides, BUAnswers, and trained IC student workers.

> Phone: 317-940-9227
> Walk-ins are welcome at Irwin Library.

The IT Help Desk provides technology troubleshooting for Butler students, faculty, and staff. Technology services can be requested with an online service request, email, phone call, or walk-in.

> Phone: 317-940-HELP (4357)
> Email: helpdesk@butler.edu
> Walk-ins are welcome to HB 315.
> Submit a service request online:
