Kyle Lees
Recommendation Letter

2/25/13

Kyle served as a student teacher from Butler University at our school this winter. It has been a pleasure having such a motivated young man working with our students.

Kyle has a heart for helping students accomplish their goals. I would consider him an enthusiastic worker that is full of initiative and energy. He displays good critical thinking skills and is a problem-solver. He fit into our team teaching approach nicely!

Kyle has a complete knowledge of physical education, health, and fitness training for elementary through high school age children. He ran strong fitness, health, and movement skill classes for our students. He has outstanding leadership qualities, is full of initiative, and grasps new ideas quickly. His strong work ethic would be an asset to any program.

He is dependable and held in high regard by the Park Tudor School physical education team. I can recommend Kyle with complete confidence. His kind demeanor and positive attitude built strong teacher/student relationships at our school.

Please feel free to phone (317-415-2754) or email me (sfleck@parktudor.org) with any questions you may have about Kyle Lees. He would be a fantastic addition to your staff and students.

Sincerely,

Sylvia Fleck
