Unit: Genetics

Lesson 10

Big Ideas

Genetic information is passed from parent to offspring.

Living things change over time: Evolution

Living things are alike yet different

Objectives

1. Students will be able to use their knowledge of the characteristics of life and classification to complete a test.

Materials

Test materials

Procedures/Strategy

1. Students will enter the room and be allowed the full class period to complete the exam on the characteristics of life and classification (Chapter 7) (Evaluate)

Content Vocabulary

See Chapter 7 Vocabulary

Evaluation

1. Formative
N/A
2. Summative
Chapter 7 Test

Extensions/Next Steps

- Students allowed re-test to demonstrate mastery of material
- Next Lesson: Darwin and Evolution by Natural selection
- Homework: None
